Illustrator Layers

Bleed
Please provide enough graphic to fill the bleed areas. Continue images under all fixtures and fittings. Images should be tiled to fit inside the marked areas (Please note the overlaps).

Graphics
Please place the creative on this layer. Image should continue under fixtures and fittings.

Compulsary Labels
Labels that will need to be applied to the vehicle alongside any promotional graphics.

Template
The template layer shows the edges of the walls and pillars.

This template is at 10% of actual size therefore 1mm = 10mm. Resolution of images need to be 400-500 dpi at 10% to give 40-50dpi at actual size.
